39-5701. LEGISLATIVE FINDINGS AND INTENT.

The prevention of youth access to tobacco products within the state of Idaho is hereby declared to be a state goal to promote the general health and welfare of Idaho's young people. Twenty-seven percent (27%) of Idaho's youth currently smoke and almost twenty-seven percent (27%) of boys in Idaho use chewing tobacco which is significantly higher than the national average.

Tobacco is the number one killer in Idaho causing more deaths by far than alcohol, illegal drugs, car crashes, homicides, suicides, fires and AIDS combined. According to the center for disease control and prevention (CDC), twenty-four thousand three hundred ninety-four (24,394) children in Idaho currently under eighteen (18) years of age will die prematurely from tobacco-related disease. Tobacco costs the state over two hundred forty million dollars ($240,000,000) each year and is the single most preventable cause of death and disability in Idaho.

Furthermore, tobacco is usually the first drug used by young people who go on to use alcohol and other illegal drugs. A study from the CDC shows that teens who smoke are three (3) times more likely than nonsmokers to use alcohol, eight (8) times more likely to use marijuana, and twenty-two (22) times more likely to use cocaine.

Most minors buy their own tobacco products or steal from self-service displays. Additionally, vending machines also create easy access for minors and a report from the CDC shows that even when vending machines are restricted to "adult areas" such as bars, children still succeed in purchasing cigarettes from vending machines.

Therefore, it is this state's policy to prevent the illegal sale, theft and easy access of tobacco products to minors and to prohibit the possession, distribution and use of tobacco products by minors and to punish those who disregard this law.

(2) It shall be an affirmative defense that the seller of a tobacco product to a minor in violation of this section had requested, examined and reasonably relied upon a photographic identification from such person establishing that person's age as at least eighteen (18) years of age prior to selling such person a tobacco product. The failure of a seller to request and examine photographic identification from a person under eighteen (18) years of age prior to the sale of a tobacco product to such person shall be construed against the seller and form a conclusive basis for the seller's violation of this section.

39-5706. VENDOR ASSISTED SALES.

(1) It shall be unlawful to sell or distribute tobacco products by any means other than vendor assisted sales where the customer has no access to the product except through the assistance of the seller.

39-5708. CIVIL PENALTIES FOR VIOLATIONS OF PERMIT.

Any permittee who fails to comply with any part of this chapter, or any current state or local law or rule or regulation regarding the sale or distribution of tobacco products shall be subject to a civil penalty as provided in this section or have their permit suspended, pursuant to compliance with the contested case provisions of the Idaho administrative procedure act, chapter 52, title 67, Idaho Code, or both.

(1) If a seller who is not a permittee violates section 39-5705, Idaho Code, and sells or distributes tobacco products to a minor, the seller shall be fined one hundred dollars ($100).

(2) In the case of a first violation, the permittee shall be notified in writing of penalties to be levied for further violations.

(3) In the case of a second violation, the permittee shall be fined two hundred dollars ($200) and shall be notified in writing of penalties to be levied for further violations. For a violation of section 39-5705, Idaho Code, the permittee shall not be fined if the permittee can show that a training program was in place for the employee and that the permittee has a form signed by that employee on file stating that they understand the tobacco laws dealing with minors and the unlawful purchase of tobacco, but the permittee shall be notified in writing of penalties to be levied for any further violations. If no such training is in place, the permittee shall be fined two hundred dollars ($200).

(4) In the case of a third violation in a two (2) year period, the permittee shall be fined two hundred dollars ($200) and the permit may be suspended for up to seven (7) days. If the violation is by an employee, at the same location, who was involved in any previous citation for violation, the permittee shall be fined four hundred dollars ($400). Effective training and employment practices by the permittee, as determined by the department shall be a mitigating factor in determining permit suspension. Tobacco retailers must remove all tobacco products from all areas accessible to or visible to the public while the permit is suspended.

(5) In the case of four (4) or more violations within a two (2) year period, the permittee shall be fined four hundred dollars ($400) and the permit shall be revoked until such time that the permittee demonstrates an effective training plan to the department, but in no case shall the revocation be for less than thirty (30) days. Tobacco retailers must
remove all tobacco products from all areas accessible to or visible to the public while the permit is revoked.

(6) All moneys collected for violations pursuant to this section shall be remitted to the prevention of minors' access to tobacco fund created in section 39-5711, Idaho Code.

39-5709. CRIMINAL PENALTIES FOR VIOLATIONS WITHOUT A PERMIT.

Sale or distribution of tobacco products, or any violation of this chapter, without a permit is considered by the state of Idaho as an effort to subvert the state's public purpose to prevent minor's access to tobacco products.

(1) The sale or distribution of tobacco products without a permit shall constitute a misdemeanor punishable by imprisonment not exceeding six (6) months in the county jail, a fine of three hundred dollars ($300), or by both such fine and imprisonment. If the sale or distribution of tobacco products was to a minor, the fine shall be no less than five hundred dollars ($500) nor more than one thousand dollars ($1,000). The provisions of this section shall not be applicable to an employee of the business engaged in the sale of tobacco products if the sale occurred during the course of such employment and the seller does not have an ownership interest in the business.

(2) In addition to the penalties set forth in subsection (1) of this section, the court may impose an additional fine of one thousand dollars ($1,000) per day beginning the day following the date of citation as long as the illegal tobacco sales or distribution continues. The first seven (7) days of additional fines may be suspended provided that the business or seller is able to prove that the business or seller has applied for the permit within seven (7) days of the citation.

39-5710. CONDUCT OF ENFORCEMENT ACTIONS.

(1) It is the intent of the legislature that law enforcement agencies, the attorney general, and the department shall enforce this chapter and rules promulgated pursuant thereto in a manner that can reasonably be expected to significantly reduce the extent to which tobacco products are sold or distributed to minors.

(2) Law enforcement agencies may conduct random, unannounced inspections at locations where tobacco products are sold or distributed to ensure compliance with this chapter. A copy of all citations issued under this chapter shall be submitted to the department.

(3) The department shall conduct at least one (1) random, unannounced inspection per year at all locations where tobacco products are sold or distributed at retail to ensure compliance with this chapter. The department shall conduct inspections for minor exempt permittees without the assistance of a minor. The department shall conduct inspections for all other permittees with the assistance of a minor. Each year the department shall conduct random unannounced inspections equal to the number of permittees multiplied by the violation percentage rate reported for the previous year multiplied by a factor of ten (10). Local law enforcement agencies are encouraged to contract with the department to perform these required inspections.

(4) Minors may assist with random, unannounced inspections with the written consent of a parent or legal guardian. When assisting with these inspections, minors shall not provide false identification, nor make any false statement regarding their age.

(5) Citizens may file a written complaint of noncompliance of this chapter with the department, or with a law enforcement agency. Permit holders under 26 U.S.C. section 5712, may file written complaints relating to delivery sales to the department or the attorney general's offices. Complaints shall be investigated and the proper enforcement actions taken.
Within a reasonable time, not later than two (2) business days after an inspection has occurred, a representative of the business inspected shall be informed in writing of the results of the inspection.

The attorney general or his designee, or any person who holds a permit under 26 U.S.C. section 5712, may bring an action in district court in Idaho to prevent or restrain violations of this chapter by any person or by any person controlling such person.

39-5711. FUNDING AND CREATION OF PREVENTION OF MINORS’ ACCESS TO TOBACCO FUND.

There is hereby created the prevention of minors’ access to tobacco fund in the state treasury. Moneys in the fund shall be used to fund the administration, inspections and enforcement of this chapter. Moneys in the fund may be expended only pursuant to appropriation. The fund shall consist of:

39-5712. SEVERABILITY.

If any section or provision of this chapter is held invalid, such invalidity shall not affect other sections or provisions of this chapter.

39-5713. LOCAL ORDINANCES.

Nothing in this chapter shall be construed to prohibit local units of government from passing ordinances which are more stringent than the provisions of this chapter. Provided however, local units of government shall not have the power to require a permit or license for the sale or distribution of tobacco products.
